

The Ham Family

Descendants of William J. Ham

It has been hard to trace past William J. Ham, as there are several men with the same name. One William J. Ham, Sr. was born in Ireland in 1747. He lived in Edgefield District, South Carolina until about 1820. His children's names were: Obediah, Smith, James, Levi, and William J. Ham, Jr... I can not prove the father of my William J. Ham. Family Historians have traced him in Franklin Co., North Carolina, and Randolph Co. Alabama (major pottery areas). They were in Randolph Co. Alabama in the 1840 census, and came into Perry Co., Alabama, after 1850. The War of 1812-1814 brought many families to Alabama for the rich farm land. The Ham men were farmers and potters.

Note:

In 1830 Rebecca Ham was found in the Franklin County, North Carolina census without Mr. Ham. Listed on the census was:

Rebecca Ham

Males- 1 male 10-15; 2 males 15-20

Females -1 female 5-10, 1 female 10-15; 1 female 15-20; 1 female 40-50

Rebecca Ham was found living among numerous Ham families. She lived next door to Elijah and Elizabeth Ham. Possibly she could have been married to one of their sons.

Information from James Thomas Rogers gives me John Ham as the father of our William J. Ham.

By 1840 Rebecca Ham was found in the Heard County, Georgia census

By 1850 Rebecca Ham is found in the Randolph County, Alabama census.

In the 1860 Randolph County, Alabama, Rock Mills census Rebecca is 67 years old. She is still living with some of her children. E.W., Mary E, Simeon B, and Marina W. Ham.

Mister Ham possibility (John) -Rebecca Ham was born about 1790 in North Carolina. Rebecca Ham was found living about two houses downs from William J. Ham in the Randolph Co., Alabama 1850 census.

Rebecca had the following children:

- i. Mary Ham was born about 1819 in North Carolina. She died 6/16/1908 in Randolph Co., Alabama. She married William McCarter on 12/3/1862 in Randolph Co., Alabama. He was born 4/22/1820 in Franklin Co., North Carolina. They are buried at Pleasant Grove Baptist Church in Randolph Co., Alabama. Mary was a Weaver.

ii. E. W. Ham was born about 1820 in North Carolina (possibly named Elijah)
E. W. was listed as a Shoemaker.

iii. William J. Ham was born about 1822 in (possibly) Franklin Co., North Carolina. He died before 1890 in Perry Co., Alabama. William married Eliza Morton, (daughter of John Morton and Milla R.) born in 1831 in North Carolina, and died 1895 in Perry Co., Alabama. They were members of Ephesus Baptist Church in Sprott, Perry Co., Alabama. Her death is recorded in the church minutes of Ephesus Church. They are buried in the old Ham Family Cemetery in a remote area of Perry Co., Alabama. There were many unmarked graves. William and Eliza Ham's markers were made from Pottery Urns with their names inscribed on top, also buried there was their son, John Thomas Ham and their daughter, Martha "Mattie" Ham Hopper, also other children in unmarked graves. It lies in the area of Mt. Olive and Mt. Pleasant Church.

iv. Ellen Ham was born about 1826 in North Carolina

v. Simeon Ham was born about 1828 in North Carolina. He served in the Civil War from Randolph Co., Alabama. Nothing has been found on him since 1865 census. In the 1860 Randolph Co., Alabama census he is listed as a farmer.

vi. Marina Ham was born about 1830 in North Carolina. She is listed as a Weaver in the 1860 Randolph Co., Alabama census.

Research is still in process on this family.

Note:

I recieved a lot of information from Zena Ham Spencer , James T. Rogers and Lois Hughey Ullery. If anyone has documented information I would appreciate if you would pass it on to me. In genealogy the " HUNT GOES ON"
